

## Pullman barrier washer extractors WPB4700H, WPB4900H, WPB41100H

## Features and benefits

- Two compartment inner drum separated by a Pullman partition for the best ergonomics and mechanical action on the market
- · Automatic inner drum positioning in loading or unloading position
- Automatic locking and unlocking of outer drum doors
- · Largest doors on the market
- Unloading by gravity, the easiest and fastest of the market
- End of cycle sound and visual alarm for optimum productivity
- Intuitive programming control panel
  - 8 colour industrial touch screen
  - Smart card reader & writer
  - Electrolux unfolding menus
  - Choice of 14 languages
- · Pneumatic suspensions for minimum vibrations
- Frequency control motor and Poly V belt for precise, consistent and silent rotation speeds
- 5 compartment soap box for manual supply or connection to automatic liquid system

- Electrolux Integrated Weighing System for better ergonomics and productivity
- Integrated pH meter for a better performing traceability
- Automatic opening of inner drum doors at the end of the washing cycle
- Titration valve for bath sampling
- · Stainless steel cover panels
- · Clean room application
- Opening of loading outer door at 180° for semi automatic loading.
- · Third water inlet
- · Second drain valve for water recycling
