EASY TO USE

- The show case has its own integral, highly efficient refrigeration unit with low noise emission and reduced energy consumption. The temperature is thermostatically controlled.
- The show cases are supplied for use without the protective glass panels (side, back and top) which must be ordered separately as accessories.

EASY TO CLEAN

- Show case constructed in 304 AISI stainless steel complete with sides.
- The show cases are designed for use with the specific sets of stainless steel 1/4 and 1/2 GN containers (without lids) which are available as accessories.

EASY ON THE ENVIRONMENT

- CFC and HCFC free.
- All models comply with the standards required by the main international approval bodies and are CE marked.
