

# Electrolux 160 Lt line

## Freezer counter 160 Lt

The Electrolux 160 liter is the solution for customers needing reliable, compact and easy to use cold storage. All the internal finishings are in commercial grade High Impact Polystyrene. The range consists of 2 undercounter freezers in stainless steel or pre-painted white with full door.

727228

### EASY TO INSTALL

- All models require only 1 phase 220/240V supply. They can therefore be plugged straight into an existing power socket.
- Adjustable front feet.
- Reversible door.

### EASY TO CLEAN

- The runners for the shelves are thermoformed and incorporated in the inner structure therefore being easily cleanable.
- The whole interior cell is in white High Impact Polystyrene, has rounded corners, and has no joints to eliminate dirt traps.
- IP23 protection index make it possible to clean the unit with a hose at standard pressure.

### EASY TO USE

- Designed to operate at ambient temperatures up to 43°C .
- Very quiet operation: noise level less than 45 dB (A).
- Simple control panel.
- Digital temperature display and electromechanical control.
- Door lock on both models.

### EASY TO MAINTAIN

- Compact cooling unit easily accessible from the rear of the appliance.
- Manual defrost.

### EASY ON THE ENVIRONMENT

- CFC and HCFC free insulation.
- R134 gas in refrigeration circuit.
- Developed and produced in ISO 9001 and ISO 14001 certified factory.
