

Base cupboards

The 900XP range is designed to guarantee the highest level of performance, reliability, energy saving, safety standards and ergonomic operation. These concepts are reflected throughout the line in its modularity, construction and numerous configurations: countertop (on base or table), free-standing, on concrete or stainless steel plinth, bridged or cantilever. Thanks to its advanced technology and premium performance, 900XP is a perfect solution for restaurants as well as large institutions needing high power and high productivity. The models detailed in this sheet are 3 open base cupboards in half, full and 1200mm module versions and one 200mm base cupboard with drawer for bottles.
